## Welcome...

...to the first news letter for Stocksfield Tennis Club. We hope you will find this informative, inclusive and fun (maybe!).

If you have any suggestions of what should be included going forward, please contact one of the committee members.

Remember subscriptions were due in **April 2022**. If you've not yet renewed, please make sure you do so ASAP to be able to continue to use our great facilities.

## Court booking system

You asked; we delivered! Register via the website using your **LTA credentials**, and help us trial this new initiative.

Initially taking bookings for Court 4 only, we will assess the viability over the coming months. Please therefore be aware if you are using Court 4 and someone has booked it online, you will need to vacate. Your feedback during this trial would be greatly appreciated, please let us know your thoughts using the Stocksfield Tennis Club email address.

The competition will run throughout September with finals day to be held on **Saturday 1 October**. The format will involve mixed doubles, ladies doubles, mens doubles, ladies singles, mens singles and a junior section. It will operate on a handicap basis to level the playing field. Please express your interest to Mark Johnson (seniors) and Tom Geary or Brian McVeigh (juniors) by the end of July to get involved. Hope to see you there!
